story

It's easy to fall in love with Ibiza. Wonderfully warm (the people and the weather), glorious nature, offering an absolute feast for the senses. It lights you up. And Villa Martinet provides the perfect setting to be truly enchanted.

Villa Martinet is your home away from home. The villa has a warm and welcoming atmosphere, while offering ever more mesmerising views of the Mediterranean sea. The spacious layout with six bedrooms (five with en-suites) provides plenty of room to relax and unwind, while the open kitchen, large living room, and large pool area offer the perfect settings to have fun together.

Outside, you can spend the whole day lounging from different areas, enjoying being lost in the enchanting views. Start the day in the outdoor shower or with a restorative yoga class by the pool. Find your happy place by the sun-drenched pool and bar area or in the cosy shade of several chill outs.

The 10 x 5 m saltwater pool enjoys breathtaking views of the sea, Formentera and the old town of Ibiza.

The surrounding lounging area include sun beds, dining table for 12, extra refrigerator, freezer and outdoor shower.

The salt-water pool is kind to the eyes, skin and blond hair, and is maintained every day.

One of the charms of the villa is its ability to host both small and large groups. With six spacious bedroom suites the house caters for families and friend groups of up to twelve, while still feeling very cosy for smaller groups and couples.

Our kind and considerate service team live onsite to help you make the most of your stay. With the best villa concierge on the island, restaurant bookings, boat trips, cooking classes, kite surfing, or an afternoon at the spa will be organised with ease.
